## EDUCATION

**University of Queensland | 2023 – 2026 (projected)**
Studying Bachelors of Mathematics / Computer Science
GPA > 6

**Centenary SHS | 2017 – 2022**
- Queensland Certificate of Education – with ATAR of 99.00
- FSK20113 - Certificate II in Skills for Work and Vocational Pathways ( completed 22/10/2020)
- Excel Class - Member of the Excellence in Maths and Science class since 2017, studying content from a year above
- UQ Science Ambassador leadership role - organising and running events

## WORK EXPERIENCE

**Private Tutor (Self-employed)| Feb 2024 – Present**
- Assisted Mathematical Methods students to understand course content, homework and assignments
- Organised specific revision activities to prepare students for exams
- Set timelines and goals to ensure completion of assignments

**Woolworths Supermarkets Team Member | Jan 2023 – Present**
- Trusted and reliable supermarket team member capable of working across three departments.
- In Fruit and Veg I was trusted to work alone independently at night. This included stocking shelves and storing/organising products, conducting inventory counts, cleaning and maintenance duties, and closing down the department.
- In the Online department I ensured online orders were packed and organised in a timely manner.
- I also worked in the Front End checkouts in a customer facing role which involved handling cash and EFTPOS transactions.

**CS Energy Work Experience Internship (Sep 2020)**
- Worked under supervision of the Head of Engineering: cost spreadsheets and understanding engineering processes. Attended meetings and training. Provided assistance in administrative tasks.
