EXPERIENCE

Casual Academic Tutor | UQ

Feb 2025 - Present

- 📖 Tutoring COMP2048: Theory of Computing, where I help students with object-oriented programming in Python, simulating Cellular Automata, Conway's Game of Life, and Quantum Computing

Leaders@EAIT Pathway | UQ + Rio Tinto

Jul 2024 - Nov 2024

- 💜 Developed leadership skills in Emotional Intelligence through a semester long series of online modules and workshops and a three day conference camp, culminating in my position as a UQ Leader

UQ Reality Labs: Australia's First AR/VR Club

Treasurer

Oct 2024 - Present

- 📊 Managing financial statements and planning budgets for the club's events

Marketing Director

Apr 2024 - Oct 2024

- 📢 Leading the charge in promoting UQ Reality Labs and its events across multiple platforms, including Instagram, Facebook, Discord, and LinkedIn.

Student Fellow, Winter24 | Startmate

Jul 2024 - Jul 2024

- 👛 Immersed in the world of startups, intensive workshops about venture capital and pitching business ideas to investors

Senior Academic Tutor | Apex Tuition Australia

Jul 2024 - Present

- 💎 Mathematical Methods Tutor

Private Tutor

Feb 2024 - Present

- 📖 Assisted QCE Mathematical Methods students in comprehending course content, homework, and assignments. Organised targeted revision activities to effectively prepare students for exams.

Supermarket Team Member | Woolworths Supermarkets

Jan 2023 - Present

- 🍎 Trusted and reliable supermarket team member capable of working across three departments: Fruit and Veg, Online Orders, Front End Checkout
- 💳 Customer facing role with experience handling cash and EFTPOS transactions

Work Experience Internship | CS Energy QLD

Sep 2020 - Sep 2020

- 💡 Worked under supervision of the Head of Engineering: cost spreadsheets and understanding engineering processes. Attended meetings and training. Provided assistance in administrative tasks.
